Conflict of Interest Declaration Form Non-council committee appointments

All non-council committee appointments are expected to act impartially in carrying out their responsibilities. As a candidate for a non-council committee appointment to the College of Midwives of Ontario (the College), you are required to disclose your interests which conflict, could conflict or may reasonably be seen to conflict with your responsibilities as a non-council committee appointment on any of the College's statutory committees.

Pursuant to the College's General By-law (s. 8.02), a committee member would be perceived to have a conflict of interest if a reasonable person, knowing the relevant facts, would believe that the committee member's position or relationship with another organization, or the committee member's personal interests, whether financial or otherwise, would be sufficient to influence the objective discharge of the committee member's official duties.
